Neighbors of College-Glen would like to thank all the teachers serving our neighborhood for their time and dedication educating children. Whether or not you have children actively in school, teachers make lasting contributions and have an indelible influence on their pupils.

May is Bike Month

May is Bike Month is returning this May for its 20th year! Get ready for a month filled with exciting in-person events, group rides, prizes, and the online workplace challenge. Celebrating two decades of May is Bike Month promises to be an exhilarating experience.

Cycling is not only a fun activity but also a way to make a positive impact by reducing your carbon footprint and contributing to environmental conservation. It also boosts your health, happiness, and enhances your community. It's definitely a

reason to celebrate!

With the innovative Rate My Routes feature in the Love to Ride app, cyclists can now share feedback on their rides and provide anonymous data for planners to create better and safer infrastructure. Isn't that cool?

Everyone is welcome to participate, whether you're a regular rider or someone who hasn't ridden a bike in years (or ever!). Plus, there are numerous prizes up for grabs! Visit lovetoride.net to learn more.

Soccer is on our minds!

Hey, it's Cash, your youth board representative!

I had so much fun last month talking with kids in the neighborhood about the Cabana Club opening that I thought I would talk to a few more as we gear up for BAC soccer season. Registration is officially open and here is what the kids are most looking forward to:

What are you looking forward to in the upcoming soccer season?

"I'm looking for to spending time with my teammates and practices and just playing in general because that's the best part of my year," Ellie C. Age 14

"Kicking the ball in the goal and never giving up" Ronan J Age 10

"The most exciting thing is seeing everybody playing with their friends and having fun" Mateo P Age 11

"Playing!" Abby M Age 6

A Note from MPT Guerra

As the warmer months start to approach, I am excited to announce that our annual Oki Park Food Truck series will be coming back to Oki Park starting May 9th from 5pm to 8pm. They will be held on the second Friday of the month through September.

My office, Sactomofo, and the Neighbors of College-Glen are working to make this year's food truck series the best one yet! We are planning to connect the neighborhood with more City departments and resources as well as, highlight local organizations that make a difference in the community and the City. We are also working to

get new and exciting food trucks out and host performances by local artists and schools. We have again partnered with the Capitol Optimist and are working together to expand their drink menu by reaching out to local breweries.

I am looking forward to connecting with you all to hear about your families, what has been going on in your lives and in the community and hear about how I can continue to serve you as your Councilmember.

Sincerely,
Mayor Pro Tem Eric Guerra

NCG EGGHUNT 2025

Our 2025 NCG Egg Hunt was a hopping success! We experienced a glorious spring day with perfect weather, and were truly amazed at the support of everyone who came out to help and participate in the event.

The day was filled with laughter and joy as families gathered together to enjoy the festivities. Children of all ages eagerly searched for colorful eggs hidden throughout the grounds, their

faces lighting up with excitement each time they discovered a new treasure. The Bunny himself was a hit, posing for photos with wide-eyed youngsters and adding to the festive atmosphere. The vendors offered a variety of treats and trinkets.

The event was a resounding success, showcasing the community spirit and togetherness that makes the NCG Egg Hunt a beloved tradition for all.
